**Re: Erratum to Reply Comments on Amendment of Part 2 of the Commission's Rules to Allocate Spectrum Below 3 GHz for Mobile and Fixed Services to Support New Advanced Wireless Services, Including Third Generation Wireless Systems, ET Docket No. 00-258, et. al. (as consolidated)**

Dear Ms. Salas:

On November 8, 2001, the Public Safety Wireless Network (PSWN) Program submitted Reply Comments to the Commission for the above-referenced consolidated dockets that were inadvertently designated as "Comments." Please accept this for filing and amend the record to reflect that the PSWN Program's Reply Comments were provided in that proceeding. This packet includes an original and five (5) copies of this erratum.

Kindly date-stamp and return the additional, marked copy of this cover letter and filing.

Should you require any additional information, please contact the undersigned.

Respectfully submitted,
